PROJECTS

Capstone Practicum Stock Pitch – United Parcel Service, Inc.

- Issued a **BUY** on UPS with a \$139.33 target (+43% upside), piping (7.8% WACC; 9.8x exit EBITDA), Comps (7.5x EV/EBITDA).
- Recast UPS as an AI-driven, platform logistics ecosystem, surfacing SaaS-style margin lift via ORION and Global Checkout.
- Anchored the thesis around automation, logistic intelligence, deglobalization, and supply-chain resilience tailwinds.

Comprehensive Analysis of Portfolio Strategies and Investment Returns

- Deployed \$1M portfolio across sectors over 28 trading days, limiting to -10% downside and a 4% return target amid volatility.
- Generated **5%** capital appreciation through KPI-driven monitoring, S&P 500 benchmarking to quantify initial outperformance.

Netflix's Proposed Risk Management Strategy Analysis

- Executed a **forward/futures/swap hedging program** to reduce foreign exchange risk exposures and lift risk-adjusted returns.
- Stress-tested via Monte Carlo (3% 1-year PD, 1.86 Distance-to-Default) and hedged 7% of FX exposure with ~5,457 puts.

Global Portfolio Investment Management – University Endowment Fund

- Engineered \$500K global equity portfolio (90% equities, 10% commodities), benchmarked performance against MSCI ACWI.
- Executed portfolio risk-return using CAPM, beta (0.93), correlation & attributions to identify drivers of active return (-17.14%).
- Evaluated performance evaluation **via** Sharpe Ratio, Information Ratio, and Jensen's Alpha, estimating ~8.65% expected return.

RESEARCH

Equity Research Analysis (CFA Institute Research Challenge 2025)

Boston, Nov 2024 - Feb 2025

University of Massachusetts Boston - HubSpot Inc. Equity Research Report

- Built a 5-year three-statement model with DCF, trading Comps and scenario/sensitivity analysis to value HubSpot Inc.
- Projected 22% revenue CAGR and \$7.69B revenue by 2029; Issuing a BUY with \$838.23 target price with an upside of (+19.26%).
- Orchestrated a comprehensive **Equity Research report** + Investor deck using Bloomberg, Factset and Tableau Dashboards.
